Inclement Weather – see schedules posted in Canvas under Faculty and Staff Resources/ Handbook (p. 5)

NEW THIS YEAR: If the forecast on the day before a snow event indicates that snow will not start until the beginning of the school day, APS will now announce a 2-hour delay by 6 p.m. the evening before. They will then assess weather forecasts and road conditions the next morning, and will send a final APS School Talk update (as well as through the normal communications channels) by 6 a.m. to let families know if conditions will require us to close for the day (rather than just having a delayed opening).

Looking Ahead – SOL Writing Test for Juniors will be given March 11-15. The adjusted schedule for the week of March 11 is posted on the reverse.
