Religious Holidays – Please remember that student members of all religious groups are entitled to courteous accommodation of religious holidays. It is important to keep this in mind when assigning work. Religious observance of Ramadan began at sunset on May 5 and continues through sunset June 4.

Google Calendar – Next year, the Weekly Bulletin will be replaced by the Yorktown Staff Google Calendar. The calendar can be viewed in various formats – Day, Week, Month, Year, Schedule, and 5 Days. The *Schedule* option has the same format as the Weekly Bulletin, showing three weeks instead of two. In Google Calendar, you can choose your preferred view by clicking on the Google Apps (bullet square) and click on the drop-down arrow for your preferred view. Click on an event for more details and links.

Looking Ahead – the week of June 10 will be a **NO BLOCK** schedule.

SOL and Final Exam Testing schedules are on the reverse.
