

HOW TO REACH YOUR COUNSELOR

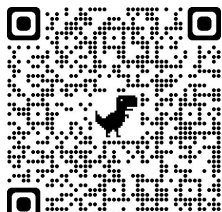

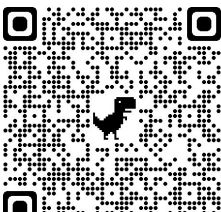

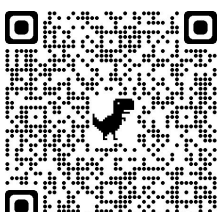

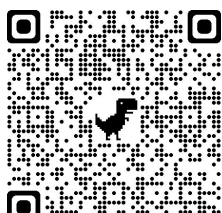

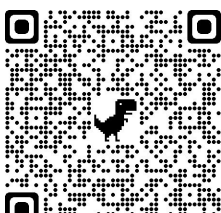

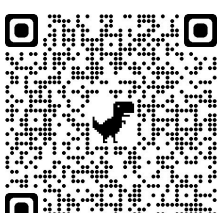

We are so excited to return to the building! We want to remind students and families that Counseling services will largely continue to be provided in a virtual format. This includes: individual and group counseling, classroom SEL lessons, parent/staff consultation, risk assessments, collaborative team meetings, special education meetings, 504 meetings, and observations.

Please remember that staff and students should wear masks, maintain 6 feet of social distance with students and staff, and avoid physical contact.

For students in the building, we will be able to schedule in person meetings by appointment. For social distancing purposes, appointments will be limited.

Due to the limited space available in the counseling office, please do not come down to counseling unless you have a scheduled appointment confirmed by your counselor.

To Schedule an appointment (or ask a question!) with your counselor, use the link provided below.
